The LEGO Book is a book all about LEGO published by Dorling Kindersley in 2009 . It has information on most LEGO themes, and even information about Ole Kirk Christiansen 's life, and the wooden toys before the Automatic Binding Brick in 1949. Also included is the exclusive book about minifigures , Standing Small: A Celebration of 30 Years of the LEGO Minifigure . The first edition of DK's The LEGO Book was printed in 2009 and was one of the first LEGO books from the British publisher. The third edition has just been published, having been fully revised, updated and expanded. It comes with an exclusive printed 2x4 red brick mounted in its cover to commemorate the 60th anniversary of the LEGO brick, which is both a blessing and a curse It's a blessing because it's a cool brick, printed on one face with a small section from the original patent diagram along with the dates 1958 and 2018. LEGO's new book with Unbound called The Secret Life of LEGO Bricks has been fully funded in two weeks and there were rewards for people who pledged their support including offering sealed retired sets. For those who haven't purchased the book yet or want another copy, LEGO is now offering a new round of rewards which include items that have never been offered in this way before and tie in closely to the themes of the book. Pre-orders are still being accepted through May 31, 2021 and the book will be released by Spring 2022. LEGO Ninjago Character Encyclopedia New Edition. Books-> Dorling Kindersley. 2021. 0.
