The Adventurous Lover goes that bit further into the field of fantasy and adventure of sexual exploration. It teaches partners to respect each other's wishes while exploring deeply held fantasies. Being adventurous needs trust and good communication skills, which this book emphasises frequently. Amongst other themes explored there is reference to sadomasochism, sex toys and multiple partners. There are references to additional books and resources to help develop fantasies into reality if so desired. I will definitely recommend this book to clients who wish to explore the world of fantasy with The New Joy of Sex by Alex Comfort and a great selection of related books, art and collectibles available now at AbeBooks.com. Of course, every act of sex is an adventure. But beyond the willingness it takes to take on the basic adventure of sex, there is another level of possible exploration, one that takes you deeper into the recesses of your partner's desires. With thought-provoking text by relationship psychologist Susan Quilliam, *The Adventurous Lover* will help readers to explore their own and their partner's desires and add an extra dimension to their intimate lives. This book is the perfect companion for those times when you need ideas for what to do and guidelines for how to do it, for when you need arousing inspiration to kick-start your adrenalin, and for when you need confidence to push the boundaries, and then push them a little further.
