Verified Purchase. The GENTLEMAN: A TIMELESS GUIDE TO FASHION book by Bernhard Roetzel is beautifully bound and has really thick, high quality pages. There's lots of pictures and good tips on how to iron a shirt, how to tie a tie, how to properly wash your hair, etc., and it also includes interesting bits of information on the history and evolution of men's clothes and why certain things are the way they are. This isn't a "wear this" type of book, but does offer suggestions on what goes with what. It's more of a general book about sophisticated and elegant dressing for the "gentleman," think old school/Golden Age of Hollywood types like Fred Astaire and William Holden, so don't expect to see popular designers or anything like that in this book. The GENTLEMAN: A TIMELESS GUIDE TO FASHION book by Bernhard Roetzel is beautifully bound and has really thick, high quality pages. There's lots of pictures and good tips on how to iron a shirt, how to tie a tie, how to properly wash your hair, etc., and it also includes interesting bits of information on the history and evolution of men's clothes and why certain things are the way they are. This isn't a "wear this" type of book, but does offer suggestions on what goes with what. It's more of a general book about sophisticated and elegant dressing for the "gentleman," think old school/Golden Age of Hollywood types like Fred Astaire and William Holden, so don't expect to see popular designers or anything like that in this book. Start by marking "Gentleman: A Timeless Guide to Fashion" as Want to Read: Want to Read saving €; Want to Read. Not a bad style guide, although it's a little hyperfocused on the caricature of the gentleman as a middle class yuppie who identifies with the monarchy and has a pseudointellectual approach to ostentatious (sometimes frivolous) spending. Perhaps if this book was written in a way which took itself less seriously, and considered the fact that most of its readership aren't all 40 something white guys who work on Wall Street, it could've been better. Also some of the picks were a little strange, as I wouldn't look to the Royals or the fraudulent poseur Andy Warhol as fashion icons, but that's just my taste.
