They are:</p> <ol style="list-style-type: none"> 1. <u>Communication:</u> LCC students develop and express ideas through effective written, oral, and visual communication for various academic and professional contexts. <u>Expected Outcomes:</u> <ol style="list-style-type: none"> A. The student uses relevant content that conveys understanding. B. The student uses disciplinary conventions for organizing content and presenting content. C. The student uses communication tools appropriately and skillfully for academic and professional contexts. 2. <u>Critical Thinking:</u> LCC students use inquiry and analysis, evaluation and synthesis of information, and innovation and creative thinking. <u>Expected Outcomes:</u> <ol style="list-style-type: none"> A. Students pose vital questions and identify problems, formulating them clearly and precisely. B. Students consider alternative viewpoints, recognize and assess

	<p>assumptions, and identify possible consequences.</p> <p>C. Students develop well-reasoned conclusions and solutions.</p> <p>D. Students apply creative ideas or approaches to achieve solutions or complete projects.</p> <p>3. <u>Empirical and Quantitative Skills:</u> LCC students apply scientific and mathematical concepts to analyze and solve problems to investigate hypotheses.</p> <p><u>Expected Outcomes:</u></p> <p>A. Students identify problems or hypotheses and related quantitative components.</p> <p>B. Students select appropriate quantitative approaches to analyze and solve problems and investigate hypotheses.</p> <p>C. Students correctly apply quantitative approaches to analyze and solve problems and investigate hypotheses.</p> <p>D. Students summarize and reflect on their learning experiences.</p> <p>4. <u>Teamwork:</u> LCC students consider different points of view and work effectively with others to support a shared purpose or goal.</p> <p><u>Expected Outcomes:</u></p> <p>A. The student makes a quality contribution to the Team Activity.</p> <p>B. The student treats fellow team members courteously with respect.</p> <p>C. The student models personal attributes that contribute teamwork.</p>
<p>QUALITY ENHANCEMENT PLAN (QEP)</p> <p>Reading: Gateway to Learning</p>	<p>The QEP is a long-term institutional commitment designed to improve student learning. The improvement of reading and reading comprehension was selected by the students, faculty, staff, and administration of LCC as the focus of our QEP. The diverse reading materials assigned in this course should help you to improve your basic reading and reading comprehension skills necessary to succeed in college.</p>
<p>SCANS COMPETENCIES:</p>	<p>Refer to attachment.</p>
<p>SCANS ASSESSMENT:</p>	<p>Results of personal classroom interaction, tests, quizzes, assignments.</p>
<p>TEACHING STRATEGIES/METHODS OF INSTRUCTION:</p>	<p>Demonstrations, independent assignments, interactive lectures, audiovisual media, student presentations and group discussions.</p>
<p>OUTCOMES ASSESSMENT:</p>	<p>Quizzes, exams and a final comprehensive exam will measure the student's achievement of the learning outcomes stated for the course.</p>
<p>EXTERNAL ASSESSMENTS:</p>	<p>Students enrolled in this course may be randomly selected to participate in external assessments to determine educational gains. You may be asked to provide assignments which may be included in course portfolios and used for evaluation of General Education Competencies. In addition, you may be selected to participate in the completion of surveys and/or be selected to take tests which will gauge your overall improvement in reading, writing, critical thinking, and mathematics. These activities are designed to collectively monitor your overall progress as a higher education student.</p>

Responsibility for class attendance rests with the student. Regular and punctual attendance is expected.</p> <p>It is advised that a student contact Financial Aid Center at either campus prior to dropping a course.</p> <p>Absence From Final Examinations: A student who is absent from a final examination receives a grade of "0" for the examination and a grade of "F" for the course. Any students authorized to be absent from a final examination receive a grade of "I" on their transcript until they take the final examination. Such students must take the final exam within four months. Final exams cannot be re-taken. The instructor will submit a Grade Change Form to change the previously submitted incomplete grade to an "F" if the student does not meet the 4 month deadline.</p> <p>Other Policies (LCC and State-Wide):</p> <p>A. 3-peat—If a student signs up for a class for a third time, even if he/she dropped or failed it before, the State will not provide funding for that student and the student will be required to pay an additional fee.</p> <p>B. 6 W's—Beginning Fall 2007, students cannot drop more than 6 classes throughout their college career. Any subsequent drops will become F's. The rule includes credits earned at all Texas colleges/universities, and W's will carry over when transferring to other institutions.</p> <p>C. Finishing on time—The State expects students to graduate on time. Students who obtain 90 or more credit hours at a Community College are no longer eligible for financial aid.</p> <p>D. Bacterial Meningitis Vaccination Requirement effective Spring 2012.</p> <ul style="list-style-type: none"> • Per Texas State Law (SB 1107), students who meet the criteria below, must provide proper documentation that they have received the bacterial meningitis vaccination within the last five years and at least 10 calendar days before the beginning of the semester. • All new or transfer students under age 30. • All returning students under the age of 30, who have experienced a break in enrollment of at least one fall or spring term. • Students enrolled in online courses that physically attend classes or come to campus within the semester. <p>Vaccination records must be submitted to LCC's Campus Nurse at the Health Services Center.</p>

The request should be made early in the semester so that appropriate arrangements may be made. In accordance with Federal Law, a student requesting accommodations must provide documentation of his/her disability to the Special Services Counselor. For additional information, call or visit the Special Services Center.</p> <p>The student who needs note-taking and/or test-taking accommodations must notify the faculty member prior to the first exam.</p>

	<p>A pregnant student is required to meet all course/ program outcomes, including attendance.</p> <p>There may be contaminants present in clinical area(s) that could adversely affect a fetus. It is advisable for the student to contact her obstetrician, once pregnancy has been confirmed, to ensure that there are no medical concerns/limitations to continuing her courses.</p>
<p>GRADE APPEAL:</p>	<p>A student who wishes to question the final grade earned in a course or class activity should first discuss the situation with the instructor who issued the grade. If the issue is not resolved, the student should contact the appropriate Department Chairperson to request a review of the grade.</p> <p>If the student is not satisfied with the Department Chairperson's decision, the student may contact the appropriate Dean of Instruction for assistance related to the grade appeal. Established departmental procedures will be utilized to resolve student grade appeals. After all other avenues have been exhausted; the student may request a review of the grade by the Vice-President for Instruction. Student grades are an academic matter; therefore, there is no further appeal beyond the Office of the Vice-President for Instruction.</p> <p>Students have two weeks (10 working days) after a final course grade is issued to appeal it. Students have one week (five working days) after an activity grade is issued to appeal it. Exceptions require the approval of the Vice-President for Instruction.</p>

Laredo Community College will hold each student responsible for compliance with these policies, rules, and regulations. The student is responsible for obtaining published materials to update the items in this Code. Students are also expected to comply with all federal, state, and local laws. This principle extends to conduct off campus which is likely to have an adverse effect on Laredo Community College or on the educational process.</p> <p style="text-align: center;">Student Misconduct</p> <p>Each student is expected to conduct him/herself in a manner consistent with the college's functions as an educational institution. Specific examples of misconduct and the disciplinary process are located at LCC's website at www.laredo.edu (Student Life/Student Handbook/Student Rights and Responsibilities).</p> <p style="text-align: center;">Use of Personal Electronic Devices</p> <p>The use of an electronic device shall not interfere with the instructional, administrative, student activities, public service, and other authorized activities on College District premises. Unless prior authorization is obtained from the instructor or respective College District official, the use of an electronic device is expressly prohibited in classrooms, laboratories, clinical settings, and designated quiet areas on College District premises. Certain violations of this policy may be excused in the case of emergencies or other extenuating circumstances provided that prior approval is obtained from the instructor or respective College District official.</p>

The use of electronic equipment capable of capturing still or moving images in any location where individuals may reasonably expect a right to privacy is not authorized on College District premises. Noncompliance with these provisions shall be considered a violation of Board adopted policy and shall warrant appropriate disciplinary action.

Academic Dishonesty

The College expects all students to engage in all academic pursuits in a manner that is beyond reproach. Students will be expected to maintain complete honesty and integrity in their experiences in the classroom. Any student found guilty of dishonesty in their academic work is subject to disciplinary action.

- (1) The College and its official representatives may initiate disciplinary proceedings against a student accused of any form of academic dishonesty including, but not limited to, the following:
 - A. **Scholastic dishonesty** includes, but is not limited to, cheating on academic work, plagiarism, and collusion.
 - B. **Cheating on academic work includes:**
 - a. Copying from another student's test paper or other academic work.
 - b. Using, during a test, materials not authorized by the person giving the test.
 - c. Collaborating, without authority, with another student during an examination or in preparing academic work.
 - d. Knowingly using, buying, selling, stealing, transporting, or soliciting, in whole or part, the contents of an unadministered test.
 - e. Substitution for another student, or permitting another student to substitute for oneself, to take a test or prepare other academic work.
 - f. Bribing another person to obtain an unadministered test or information about an unadministered test.
 - C. **Plagiarism** means the appropriation of another's work and the unacknowledged incorporation of that work in one's own written work offered for credit.
 - D. **Collusion** means the unauthorized collaboration with another person in preparing written work offered for credit.
- (2) Procedures for discipline due to academic dishonesty shall be the same as in student disciplinary actions, except that all academic dishonesty actions shall be first considered and reviewed by the faculty member. If the student does not accept the decision of the faculty member, he/she may appeal the decision to the appropriate Department Chairperson, Dean of Instruction, or the Vice President for Instruction. If the student does not accept the decision of the appropriate Department Chairperson, Dean of Instruction, or the Vice President for Instruction, the student may then follow the normal disciplinary appeal procedures for a review of the decision.

Learning Objectives. Explain the three kinds of lags that can influence the effectiveness of monetary policy. Discuss how each of the following influences a central bankâ€™s ability to achieve its desired macroeconomic outcomes: political pressures, the degree of impact on the economy (including the situation of a liquidity trap), and the rational expectations hypothesis. The Fed has some obvious advantages in its conduct of monetary policy. The two policy-making bodies, the Board of Governors and the Federal Open Market Committee (FOMC), are small and largely independent from other political institutions. These bodies can thus reach decisions quickly and implement them immediately.
