Russian literature is major part of the countryâ€™s culture and education throughout the world. Some of the worldâ€™s most famous poets and novelists were Russian. These writers include Alexander Pushkin, LeoTolstoy and Fyodor Dostoyevsky. Their poems and books were about classic issues of freedom, morality, love and conflict. These works are still popular in Russia, Europe and America.Â Both of these authors spent a lot of time in the United States and published novels about life in Russia. For a long time, their books were banned during communist control of Russia. Today, the works of these authors are part of Russian education and entertainment. In the case of Solzhenitsyn, his books against communism won the Nobel Prize and drew attention to life in the Soviet Union. Russian literature refers to the literature of Russia and its Ã©migrÃ©s and to Russian-language literature. The roots of Russian literature can be traced to the Middle Ages, when epics and chronicles in Old East Slavic were composed. By the Age of Enlightenment, literature had grown in importance, and from the early 1830s, Russian literature underwent an astounding golden age in poetry, prose and drama. Romanticism permitted a flowering of poetic talent: Vasily Zhukovsky and later his protÃ©gÃ© Alexander... Russian literature, literary works mainly produced in the historic area of Russia, written in its earliest days in Church Slavonic [1] and after the 17th cent. in the Russian language [2].Â The Jewish impact on Russian literature may be traced back 900 years to the period when that body of writing was still the common patrimony of a people that was to emerge later as three distinct East Slavic ethnic groups: the Russians, the Ukrainians, and the Belorussians, each with its separate language and, ultimately, its own literature.
