Now it s time. Varat lejupielādāt grāmatu "The Harbrace Guide to Writing, Concise" lasāšanai bezsaistā un iezāmet tekstu, pievienot grāmatzāmes vai veikt piezāmes lasāšanas laikā. The first situation-based 3-in-1 writing guide (including a rhetoric, reader, and research manual), THE HARBRACE GUIDE TO WRITING, CONCISE 2nd Edition, brings the rhetorical situation to life. Renowned author and educator Cheryl Glenn translates rhetorical theory into easy-to-follow (and easy-to-teach) techniques that help sharpen students' ability to observe what words, assertions, or opinions might work best with a particular audience in a specific situation. The is REAL writing, not just training for possible future English majors. The Community Connections activities are a great way to teach students to think about global or large-scale societal issues but to compose work that is more local or scaled-down enough to have a feasible chance of making a difference to an audience. Finding and analyzing rhetoric in what's already familiar to students is a great way for them to understand its reach and relevance. The approach inculcates into students the idea that they're not always writing for an English professor, or for any professor at all. When I encounter "Real Responses to Real Situations," [of Part 2] my only response is "More, please."
